EXAM SHIELD

Information Technology Question Bank

Networking, infrastructure, cloud services and IT operations.

13 questions: 8 multiple choice, 3 fill in the gap and 2 written. Total 18 marks.
Edition: with answers (staff copy, ready to import into Exam Shield).

How this paper is laid out

Questions are numbered in one sequence. Multiple-choice options are lettered with a full stop; each multiple-choice question is worth one mark unless stated.

Fill-in-the-gap questions show each blank as a line; they earn one mark per blank, shown in square brackets, and are marked automatically.

Written questions show their marks in square brackets and are marked by an examiner.

To use this paper in Exam Shield, open an exam, choose Questions and then Import from PDF, and upload this file. Review the preview and import.

Section 1: Information Technology

Networking, infrastructure, cloud services and IT operations.
